Forecast for Saturday 08 Oct 2022

Weather: One or two showers during the morning and although quite cloudy at times a few bright or sunny spells will develop my mid-morning. More sunshine developing in the afternoon but a few scattered showers too, winds quite gusty accompanying the showers. Mainly dry by Saturday evening.

Chance of cloud-free hill tops above 800m: 80 rising to 95%, some scattered low cloud associated with showers.

Low cloud and visibility: Scattered or patchy low cloud on the higher fell tops above 600m in the morning, improving to patches of low cloud above 700m later in the day. Visibility may become moderate for a time in a heavier shower otherwise it will be very good with some distant views.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

A slight wind chill during the morning in the cooler northwesterly airstream and fresh or strong winds. Gloves and hats worth carrying for the higher fells. Winds quite gusty around any passing showers.

Forecast for Sunday 09 Oct 2022

Weather: A dry and bright start to the day but cloud soon thickening and rain will spread down from the north by the afternoon. Rain turning quite persistent through the afternoon with some heavier spells at times. Drier again after dark falls but feeling cooler once again.

Maximum wind: South or southwesterly 25mph with gusts 45mph, perhaps 50mph on the higher summits.

Chance of cloud-free hill tops above 800m: 95% falling to 40% during the afternoon rain, improving to 80% again in the evening.

Low cloud and visibility: Summits mostly cloud free in the morning apart from a few patches above 700m, cloud thickening and lowering by late morning with cloud layers forming down to 500m and perhaps patches below that in the west.

Temperature: **Valleys:** Plus 9 rising to 14 Celsius.
At 800m: Plus 5 -7 Celsius
Freezing level: Above all summits.

Monday	Fresh or strong northwesterly winds will make it feel quite cool but a mainly dry and bright day, perhaps a few isolated showers.
Tuesday	A dry morning with a few sunny intervals, light westerly winds, cloudier in the afternoon.
Wednesday	Southwesterly winds strengthening with some rain possible, feeling milder than lately.
